GAS
THE MAGAZINE OF THE NATURAL GAS INDUSTRY

Chilton Co., Publishers, 1543 W. Olympic Blvd., Los Angeles, Calif. 90015

INDEX TO VOLUME 44
January-December 1968

AUTHORS

Accardo, J. J.—Government and gas . . . a review Oct. 110
Berghegger, H. W.—Diaphragm meter capacity ratings at elevated pressures .....Sept. 51
Boswell, Jerry—Air conditioning can be sold year around .....March GS/S 5
Boswell, Jerry—Gas air conditioning grows in Phoenix .....Dec. 57
Boswell, Jerry—Arizona PSCo.—plastic pipe pioneer .....Oct. 100
Boswell, Jerry—New desiccant for gas dehydration June 52
Boswell, Jerry—Parts inventory control ....Feb. GS/S 1
Campbell, John M. and Abdel K. Kotb—Some hidden factors affecting the life of silica gel ...Nov. 55
Clark, Jim—Reflections of an ex-A.G.A. president April 82
Chamberlin, F. E.—Evaluating natural gas engine oils .....May 55
Conway, Tom—Here's why Philadelphia dealer is tops .....May GS/S 3
Ebdon, J. Fred—A man of quiet dynamics .....Oct. 63
Ebdon, J. Fred—Anatomy of an underground storage field .....Dec. 39
Ebdon, J. Fred—Offshore in depth .....Aug. 51
Ebdon, J. Fred—San Diego Gas demonstrates LNG as an automotive engine fuel .....Jan. 49
Fishman, Dr. J. B.—Radioactivity . . . some gas industry applications .....May 50
Gauthier, C. J.—Economics . . . What operating people should know about them .....Aug. 76
Hanson, Junior W.—Distribution system design using idealized piping layout .....July 45
Hinrichs, T. C.—Are buried regulators successful? .July 62
Hodge, Robert E.—Cathodic protection of natural gas storage wells .....March 63
Hofstetter, Willi and Henry F. Lippitt 2nd—Switzerland prepares to receive natural gas supply .April 70
Hurley, W. C.—Tele-control for a booster station .Jan. 51
Ives, Robert P.—Cryogenic control valves for industrial processes .....Aug. 84
Kemp, L. J.—Large volume testing becomes a reality at Newberry .....June 45
Kotb, Abdel K. and John M. Campbell—Some hidden factors affecting the life of silica gel ....Nov. 55
Lauer, Thomas W.—Consolidated uses a new breed of pigs in its pipelines .....Sept. 62
Linden, Henry R.—The year 2000 and the gas industry .....Oct. 84
Lippitt, Henry F. 2nd and Willi Hofstetter—Switzerland prepares to receive natural gas supply .April 70
Ludden, David—Worcester Gas lays in main for future growth needs .....April 92
McBride, Paul F.—Operating large compressors and gambling with time .....June 49
Mahan, Cory E.—Cathodic protection of compressor station structures .....June 54
Martin, G. A., P. V. Peurifoy and M. J. O'Neal Jr.—Rapid color tests for mercaptan odorant in natural gas .....Nov. 64
Myers, H. S.—Analysis of water in hydrocarbons by gas chromatography .....May 60
O'Neal, M. J. Jr., P. N. Peurifoy and G. A. Martin—Rapid color tests for mercaptan odorant in natural gas .....Nov. 64
Parker, Marshall E.—What's ahead in corrosion control? .....March 57
Patterson, Edwin J.—Engineers use time-sharing computer service .....May 71
Petsinger, Robert E.—LNG on the move
Part 2—Over the water .....Jan. 41
Part 3—Innovations .....Feb. 45
Peurifoy, P. V., M. J. O'Neal Jr. and G. A. Martin—Rapid color tests for mercaptan odorant in natural gas .....Nov. 64
Ronden, C.— Plastic pipe and plowing-in enable extensions in rural gas distribution areas ....March 78
Royce, Charles A. and Joseph C. Warnock—Short length pipeline poses construction problems .....Sept. 45
Ruskin, V. W.—Computer simulation models for gas companies and systems .....Feb. 60
Shipway, Richard J.—Trenching out-plowing-in 3-inch plastic mains at Northern States Power March 84
Smotherman, G. L.—Twin 7500's .....Nov. 45
Sterrett, Elton—Automated crawler for field X-ray introduced .....July 72
Tehle, Edwin A. Jr.—Pollution problems in compressor stations .....April 56
Turbeville, J. F.—Computer system upgrades gas dispatching .....Jan. 37
Vik, Tilford—Northern uses new designs and procedures on 369-mile line .....June 62
Warnock, Joseph C. and Charles A. Royce—Short length pipeline poses construction problems .....Sept. 45
Whitmire, Carl F.—Utilization of manpower on an automated pipeline system .....July 54
Young, Philip L. Jr.—Molecular sieve adsorption in liquefied natural gas plant pre-purification . . . July 49

DISTRIBUTION

Are buried regulators successful?—by T. C. Hinrichs .....July 62
Arizona PSCo.—plastic pipe pioneer—by Jerry Boswell .....Oct. 100
Computer simulation models for gas companies and systems—by V. W. Ruskin .....Feb. 60
Computer system upgrades gas dispatching—by J. F. Turbeville .....Jan. 37

Cryogenic control valves for industrial processes —by Robert P. Ives ..... Aug. 84
Diaphragm meter capacity ratings at elevated pressures—by H. W. Berghegger ..... Sept. 51
Distribution system design using idealized piping layout—by Junior W. Hanson ..... July 45
Inverter prevents boiler shutdowns due to voltage dips ..... Jan. 60
New control programming system—by W. K. Amonette ..... Nov. 52
Plastic pipe and plowing-in enable extensions in rural gas distribution areas—by C. Ronden ..March 78
Portrait of progress for plastic pipe, A ..... March 74
Precision instrumentation for the flow measurement of gases and liquids ..... Dec. 51
Rapid color tests for mercaptan odorant in natural gas—by P. V. Peurifoy, M. J. O'Neal Jr. and G. A. Martin ..... Nov. 64
San Diego Gas demonstrates LNG as an automotive engine fuel—by J. Fred Ebdon ..... Jan. 49
Short length pipeline poses construction problems—by Joseph C. Warnock and Charles A. Royce ..... Sept. 45
Shutoff gas is really shut off with new development ..... Aug. 96
Solving service line problems with CTT fittings ...Feb. 59
Some hidden factors affecting the life of silica gel—by Abdel K. Kotb and John M. Campbell .Nov. 55
Speeding meter sets with pre-fab meter bars ..... April 85
Trenching out-plowing-in 3-inch plastic mains at Northern States Power—by Richard J. Shipway March 84
Tueson Gas serves copper mines ..... May 75
What's ahead in corrosion control?—by Marshall E. Parker ..... March 57
Worcester Gas lays in main for future growth needs—by David Ludden ..... April 92

EDITORIAL COMMENT

Communications—By F. Vinton Long

Glass fibers and optics ..... Nov. 28
Have you ever tried to find a phone booth in France's largest railroad station? ..... Aug. 32
Information retrieval and human absorption ..... Jan. 25
Many facets of communication, The ..... Oct. 32
Micropower communications ..... July 38
North Sea communications ..... April 23
North Sea tele-control ..... May 27
PIEA report ..... June 24
Third generation data set for oil and gassers, A March 24
Thoughts on solid-state developments ..... Sept. 33
Timers and other things ..... Dec. 26
$25 reward ..... Dec. 26

Corrosion Prevention—By Marshall E. Parker

Are you a string saver? ..... Jan. 15
But do you *really* know? ..... Oct. 31
Cathodic protection is a big bargain ..... May 21
Correcting for IR drop ..... Dec. 12
Details, details! ..... June 17
Half a loaf ..... April 17
Nano, tera, giga, pico ..... Feb. 18
Nobody ever told me that! ..... Aug. 16
Questions and answers ..... July 24
Refining the ore ..... March 16
Truth about corrosion, The ..... Sept. 21
You can really know ..... Nov. 26

The Gassing Game—By Jim Clark

Air pollution related to exploration ..... Jan. 19
Astronomics ..... June 14
Clark on safety ..... Dec. 22
Comments on comments ..... May 22
Does your broker even know? ..... Aug. 34
How FPC helps producers ..... Oct. 26
How to bathe 60 babies ..... April 20
Mr. Clark whispers in producers' ears ..... Sept. 24
On A.G.A.'s P/R conference ..... March 21
Producers' politics ..... Nov. 24
Producers' viewpoint, A ..... Feb. 16
Return to the grass roots ..... July 30

Measurement—By J. Fred Ebdon

Accuracy via regulation ..... March 27
Big picture, The ..... Feb. 25
Discussion in the super-cold area ..... Dec. 24
Exercise in integration, An—Part III ..... Jan. 23
Facile math path to energy—(with an orifice meter) ..... Aug. 31
From a fine function ..... Nov. 20
Gas quality standards come of age ..... June 28
It's new, but it doesn't work ..... May 29
Look, Ma, no calorimeter! ..... July 34
Measurement games ..... April 25
Mr. Kemp's paper ..... Sept. 29
On learning and inquiring ..... Oct. 25

Regulatory

Competing pipelines ..... Feb. 11
Competition for markets ..... Dec. 16
Federal Power Commission actions ..... Aug. 11
FPC wins in court ..... Jan. 9
Gas competes with underground wiring ..... June 11
Gas pipeline profit ..... Nov. 10
Gas pipeline route challenged ..... May 15
Gas prices will increase ..... April 13
Merger trends ..... Sept. 13
Natural Gas Pipeline Safety Act ..... Oct. 12
Supreme Court approved Permian Basin rates .... July 14
Victory for total energy ..... March 9

Technical Trends—By Guy Corfield

Commercial production from Canadian Tar Sands —at last ..... Jan. 12
Controlled fusion power coming slowly closer ...Feb. 14
Disposal of combustible waste ..... Feb. 14
Some ramifications of pollution ..... Jan. 12
Stress relief by vibration ..... Jan. 12

Thermally Thinking—By J. Fred Ebdon

Changes are needed, Mr. Nixon ..... Dec. 4
Comes November ..... July 4
Complex world of combination utilities, The ..... April 4
FGT's folly ..... March 4
On combination utilities-too briefly ..... May 4
On social purposes of gas companies ..... Sept. 4
Our new era ..... June 4
Put a polar bear in your tank ..... Jan. 4
Rates of return must grow ..... Feb. 4
Shabby affair, A ..... Aug. 2
We are now safe ..... Oct. 2
What a shame ..... Nov. 4

Washington

By R. V. Eales, D. G. Pennington and J. J. Accardo

Complexities and pipeline company production ..Sept. 37
Consumer cuddling continues ..... April 32
Gas price outlook ..... March 31
Lecture on government relations, A ..... Aug. 21
New methods of exploration ..... Dec. 28
New play reviewed ..... June 20
Repair takes time ..... July 26
Senate's safety session, The ..... Jan. 17
View from over some ashes, A ..... May 32
Watch out for those women ..... Nov. 16
What will come ..... Oct. 20

GAS ENERGY SYSTEMS

Performance and operating summary of total energy plant after 33 months ..... Oct. 76

T. E. at work in Florida ..... Feb. 69
Turnpike tunnels guarded by gas-powered generator sets ..... Feb. 59

GENERAL ARTICLES

Analysis of water in hydrocarbons by gas chromatography—by H. S. Myers ..... May 60
Engineers use time-sharing computer service—by Edwin J. Patterson ..... May 71
Flow calculator takes on computers ..... Oct. 106
Government and gas . . . a review—by J. J. Accardo ..... Oct. 110
Man of quiet dynamics, A—by J. Fred Ebdon... Oct. 63
Philadelphia welcomes A.G.A. delegates to 50-year celebration ..... Oct. 68
Portrait of progess for plastic pipe, A ..... March 74
Radioactivity . . . some gas industry applications —by Dr. J. B. Fishman ..... May 50
Reflections of an ex-A.G.A. president—by Jim Clark ..... April 82
Survey Sixty-Eight ..... May 45
Switzerland prepares to receive natural gas supply —by Willi Hofstetter and Henry F. Lippitt 2nd ..... April 70
Year 2000 and the gas industry, The—by Henry R. Linden ..... Oct. 84

MANAGEMENT

Economics . . . What operating people should know about them—by C. J. Gauthier ..... Aug. 76
No more bills for East Ohio customers... ..... Oct. 70
Some things you don't know about competitive energy prices..... April 49

NEW DEVELOPMENTS

A. G. A. asks safety council for study of accident statistics ..... Feb. 76
A. G. A. reports record budgets for industry construction ..... Oct. 122
Brooklyn Union seeks underground gas storage reservoir ..... Oct. 10
Canadian gasco has LNG plant ..... Nov. 8
CIG "tentative" choice to acquire EPNG NW-Div. ..... July 10
Columbia backs away from Ketch ..... Aug. 8
Contract firms up PGW's Venezuelan gas plans .. July 78
Contract to build LNG vessels in U.S. signed .... Sept. 76
Development of small total energy power plant under way ..... Aug. 101
FPC has new offshore policy ..... July 8
First U.S. remote LNG-supplied distribution system approved ..... July 8
Forty million new gas appliances purchased in U.S. in past 10 years ..... June 6
Gasbuggy booms ..... Jan. 6
Gas field prices 'set' for three areas..... Nov. 6
GAS sees record expansion for industry in 1968 .. April 6
Great Lakes decision overturned, remanded to FPC ..... July 8
Hart outlines new appliance procedures ..... June 78
Industry expands at record-breaking pace ..... Oct. 128
LNG expansion at SDG&E ..... July 8
LNG to the Islands? ..... July 10
New proven reserves bring U.S. gas total to over 292 TNcf ..... June 6
Offshore zooms to boom ..... Oct. 8
PGC chairman clears the air ..... June 78
Prexy "John-Henrys" safety bill ..... Sept. 6
Safety bill passes House, goes to conference committee ..... Aug. 6
SDG&E unveils LNG as automotive fuel ..... Jan. 6
Supreme Court upholds area rate-making ..... June 6
Transco gets FPC OK for above-ground LNG tank ..... Aug. 8
Underground storage continues growth pattern .. June 82
Watch trend toward over-all energy policy ..... Jan. 6

SALES, SERVICE, UTILIZATION

Air conditioning can be sold year around—by Jerry Boswell ..... March GS/S 5
'Believability' is key to success of South Jersey Gas Co.'s speakers bureau ..... Feb. 68
Columbia's new training program ..... Nov. 62
Dealer program puts appliances on patios .. March GS/S 3
Gas air conditioning grows in Phoenix—by Jerry Boswell ..... Dec. 57
Gas-fired car wash, The ..... Nov. 70
Gas water heater as a commercial load builder, The ..... June 70
Here's why Philadelphia dealer is tops—by Tom Conway ..... May GS/S 3
New truck marking ..... Nov. 68
Parts inventory control—by Jerry Boswell .. Feb. GS/S 1
Promoting for profits ..... Feb. GS/S 4
Self-cleaners are here, The ..... May GS/S 5
West's tallest building is cooled with gas ..... March 12

PRODUCTION, STORAGE, TRANSMISSION

Analysis of water in hydrocarbons by gas chromatography—by H. S. Myers ..... May 60
Anatomy of an underground storage field—by J. Fred Ebdon ..... Dec. 39
Automated crawler for field X-ray introduced—by Elton Sterrett ..... July 72
Cathodic protection of compressor station structures—by Cory E. Mahan ..... June 54
Cathodic protection of natural gas storage wells— by Robert E. Hodge ..... March 63
Computer system upgrades gas dispatching—by J. F. Turbeville ..... Jan. 37
Consolidated uses a new breed of pigs in its pipelines— by Thomas W. Lauer ..... Sept. 62
Dual-fuel vehicles operating ..... Dec. 49
Engineers use time-sharing computer service—by Edwin J. Patterson ..... May 71
Evaluating natural gas engine oils—by F. E. Chamberlin ..... May 55
Large volume testing becomes a reality at Newberry—by L. J. Kemp ..... June 45
Late LNG developments ..... May 78
LNG on the move—by Robert E. Petsinger
Part 2: Over the Water ..... Jan. 41
Part 3: Innovations ..... Feb. 41
Molecular sieve adsorption in liquefied natural gas plant pre-purification—by Philip L. Young Jr. .. July 49
New desiccant for gas dehydration—by Jerry Boswell ..... June 52
New tool speeds reconditioning of pipe ..... Feb. 70
Northern uses new designs and procedures on 369-mile line—by Tilford Vik ..... June 62
Offshore contractor has suggestions for gas industry ..... Sept. 72
Offshore in depth—by J. Fred Ebdon ..... Aug. 51
Operating large compressors and gambling with time—by Paul F. McBride ..... June 49
Pollution problems in compressor stations—by Edwin A. Tehle Jr. ..... April 56
Precision instrumentation for the flow measurement of gases and liquids ..... Dec. 51
Project Ketch ..... April 61
Project Ketch-Part I. A gas company engineer-researcher looks at Project Ketch ..... April 66
Project Ketch-Part II. Nuclear gas storage economics ..... May 64
Short length pipeline poses construction problems—by Joseph C. Warnock and Charles A. Royce .... Sept. 45
Tele-control for a booster station—by W. C. Hurley ..... Jan. 51
Turbine noise problem licked ..... Sept. 60
Twin 7500's—by G. L. Smotherman ..... Nov. 45
Utilization of manpower on an automated pipeline system—by Carl F. Whitmire ..... July 54
What's ahead in corrosion control?—by Marshall E. Parker ..... March 57
